### AGENDA

#### Welcome, Introductions, Review Agenda

#### 2016 WWIN Outreach Program Directory – Ingrid Enschede, Whatcom County Public Works

- Ingrid will provide an update on this great resource that is in development, which was introduced as a concept at the October 27<sup>th</sup> WWIN Coordination Meeting.

#### Training- 15 Strategies for Keeping Your Audience Awake, Alert, and Inter-Active – Cathy Angell, Coastal Training Program

- ***How do adults learn best? How can we address more learning styles in our trainings? What does current research tell us about slide design and other presentation techniques?***

Whether you teach classes, present at meetings and conferences, or support your program's instructors, you will learn techniques and strategies that can be easily applied to any situation. Cathy Angell coordinates the Coastal Training Program and has a long history of designing and delivering presentations, as well as coaching others. She specializes in presentation skills for educators, scientists, and public officials. A former member of the National Speaker's Association, Cathy has presented at conferences, colleges, business organizations, and retreats.
