

SPEAKER SERIES EVENT

Lummi Island Quarry

Aiston Preserve Update

December 1, 2016 • 6 - 7pm

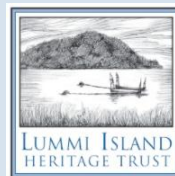

Garden Room, Civic Center Annex, 322 Commercial,
Bellingham

Photo by Ed Lowe

After successfully purchasing 105 acres of forest land and a rock quarry on Lummi Island progress is being made to restore the mined area to a more natural setting. Come and learn about the history of the Preserve, the future of public access, and ways you can get involved in environmental monitoring of the site.

Another Public Speaker Series Event coordinated by:

Guest Speaker:

Rebecca Rettmer
